The schools will be judged by a panel of local business and education representatives. The judges will make their decisions based on the information about their activities that the schools and companies have provided via their weekly updates, so be aware of this when you do their updates.

We are also happy to pass on to the judges any additional material that you wish to be considered, for example a scrap book detailing your activities. Any such additional material needs to be with CfLP by 9.00am on judging day of 30th June 2021.

Each school can win up to two categories. There will also be trophies for the winners and certificates for all participating schools and companies.
