

Early Careers

Skills Academy Workshops

WHAT IS IT?

A series of bespoke workshops designed to develop your confidence, communication, teamwork, leadership, resilience, and other employability skills.

WHO IS IT FOR?

These workshops are specifically designed as part of the Centre for Leadership Performance's Early Careers programme, and are ideal for 16-30 year olds, those starting a new career journey, or anyone looking to develop the key employability skills, regardless of current skill level or background.

WHAT ARE THE BENEFITS?

- 🌐 Develop key employability skills
- 🌐 Develop an understanding of own strengths and values
- 🌐 Help you with your career development
- 🌐 Help you to develop resilience and handle difficult situations more effectively
- 🌐 Equip you with the skills for better relationships within the workplace

WHAT IS THE COST?

Each workshop is individually priced depending on duration. Please contact us with your specific requirements.
