

# BRIGHT STARS

*“I have thoroughly enjoyed every second of the bright stars programme & i’m so grateful that it is something that I have had the opportunity to be involved in. I’ll speak with my manager Rob Firby to confirm but I am 100% eager to work with Bright Stars again in October. The programme has helped me with my stakeholder engagement & presentation skills so much! I have noticed that in my working life i’m a lot more confident to provide my thoughts & opinions on matters. ”*
