**CENTRE for  
LEADERSHIP  
PERFORMANCE**

*“We loved taking part in this project and have eagerly signed up for each intake going forward. We would highly recommend it to any businesses who are on the fence about taking part. The support you receive from Centre for Leadership is second to none, it doesn't take up too much time so even the busiest of people should be able to fit it in and most importantly the kids get so much from it - it really is so rewarding”*
