Andrew Tarran
LSS1 Project Director. Morgan Sindall as part
of the Programme and Project Partners (PPP)

Andrew Tarran, kindly devoted his time to volunteer for the Primary Business Partnership Dream Big workshop at Holme St Cuthbert School. Motivated by a genuine desire to contribute to the development of future generations, Andrew shared his perspective on volunteering:

“I think its right we try to help future generations and open their minds to what choices are available. There is no set path and everyone is different and its important they understand this.”

Reflecting on his experience at the Dream Big workshop, Andrew expressed satisfaction with the well-structured guidance and seamless flow of the afternoon session.

“Good guidance offered and the afternoon session flowed easily given the instructions offered. It allowed for a good interactive session.”

Encouraging his colleagues to follow suit, Andrew shared his positive experience with his team:

“I have given my positive feedback to the team which hopefully will encourage others to support further.”
