

Student post-project questions

In your final meeting, please record the children's understanding of the following questions by asking them to raise their hand. Please take a note of the results and email them back to rachel.pettit@cforlp.org.uk ASAP. Thank you.

This process is to save the schools printing and sending back individual student feedback forms.

The information is vital to collect pre- and post-project so we can report back to our project funder please.
