

## Student pre-project questions

In your initial meeting, please record the children's understanding of the following questions by asking them to raise their hand. Please take a note of the results and email them back to [rachel.pettit@cforlp.org.uk](mailto:rachel.pettit@cforlp.org.uk) ASAP. Thank you.

*This process is to save the schools printing and sending back individual student feedback forms.*

***The information is vital to collect pre- and post-project so we can report back to our project funder please.***
